About the Organizer	<p>The University of International Business and Economics (UIBE), founded in 1951, is a national key university under the leadership of the Ministry of Education. UIBE was among the first batch of higher education institutions to be listed in "Project 211" and was among the first group of China's universities to be included in the "Double First-Class" policy, and one of the most sought after academic institutions in China and has become an important base of cultivating professional intellectuals in economy and trade and conducting scientific researches. UIBE is composed of over 20 teaching and research institutions including Institute of WTO, Institute of International Business, School of International Trade and Economics, School of Business, etc. And over 10 administrative organs including Department of International Relations, etc. UIBE has over 1600 faculty and staffs, including over 1000 teaching and research faculty with 110 professors, 290 associate professors and 30 foreign experts.</p> <p>Currently UIBE has exchange programs with over 200 universities and institutes from more than 40 countries and regions around the world. UIBE has been undertaking the China-Aid Foreign Official Training Programs for many years. Since 2000, under the authorizing of the Ministry of Commerce, UIBE have undertaken more than 80 bilateral and multilateral official training programs, with 1988 participants. The training fields mainly include economy and trade, finance, investment, taxation, customs, corporate management, law, diplomacy, etc. The training languages are English, French, Russian, Spanish, Portuguese, etc. All the seminars have achieved good results. UIBE has significant advantages in foreign language majors and is one of the 15 national key foreign language universities.</p>	
Training content	<p>This seminar mainly includes three parts: lectures, visits and cultural experiences.</p> <p>The lectures mainly include: China's basic national conditions and achievements since the reform and opening up; Opportunities and challenges of the Belt and Road Initiative; The History of China's economic diplomacy; The characteristics of the current international situation and China's economic diplomacy; The experience of China's precise poverty alleviation. The seminar courses are delivered by government officials, experts and scholars from the Ministry of Foreign Affairs, University of International Business and Economics, China Foreign Affairs University and other institutions.</p> <p>Visits: Field trips: The seminar will arrange participants to conduct field trips in Beijing and Shenzhen, and have exchanges and discussions with local counterparts to gain an in-depth understanding of China's economic and social development status, and on this basis to discuss how to further improve relations with China. The city for visiting may be adjusted according to the actual situation.</p> <p>Cultural experience: The seminar will arrange cultural experience activities for participants to better understand Chinese history and culture.</p>
