

## ANNEX II PLAN OF ACTION

### INSTRUCTIONS

#### ***Initial Report:***

*Submit points 1 to 5 in a Word or PDF document (no more than 5 pages, including texts and tables) as an annex to the Scholarship application, as indicated in the Call for Applications document, point XI.*

1. Participant's name.
2. Country and City of Residence.
3. Name of the institution where you work and the position you hold.
4. Indicate the main policies in force in your country, and also comment on some programs, projects and studies that are currently being developed in seismology and seismological monitoring systems.
5. Indicate, as a brief presentation summary, an applicable Project or Action Plan in your institution or line of development/research.

*Note: Point 6 will be developed at the **end of the execution of the Academic Program of "Postgraduate Diploma in Seismology: Use of Seismological Data"**.*

#### 6. Project Results / Final Report

- 6.1. Indicate the most relevant topics of the diploma course for you.
- 6.2. Specify how the knowledge acquired in this diploma will improve your professional development in your country
- 6.3. Indicate the specific actions you expect to take with the Project submitted. This must be submitted according to the following table:

| AIM | ACTIVITY | RESULT | TIME |
|-----|----------|--------|------|
|     |          |        |      |
|     |          |        |      |
|     |          |        |      |
|     |          |        |      |
