About the	The Academy for International Business Officials (AIBO) is an educational and training		

Organizer	<p>institution directly under the Ministry of Commerce of the People's Republic of China. Established in 1980, AIBO is located in Changping District, Beijing, about 30 kilometers from Beijing Capital International Airport. It boasts comprehensive infrastructure to provide services such as accommodation, catering, training and meetings for trainees.</p> <p>One of the main responsibilities of AIBO is to implement human resources development and cooperation projects, especially training courses for officials. The Academy serves as the main base for China's foreign aid training, offering both off-line and on-line training in China and overseas.</p> <p>Backed by the Ministry of Commerce and in close cooperation with China's top think tanks, research institutes and universities, AIBO brings together a large number of China's top experts and scholars to provide intellectual support for foreign aid training. It has developed a number of high-quality foreign aid training projects in the fields of trade and investment, international economic cooperation, governance and public management, which have proved to be fruitful.</p> <p>Since 1998, AIBO has successfully held over 2,500 training sessions for officials from developing countries (including 147 ministerial seminars), benefiting nearly 84,000 trainees from other developing countries around the world.</p> <p>AIBO will adhere to the guidance of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, and take the important concepts, including a community with a shared future for mankind, pursuing the greater good and shared interests, and sincerity, real results, amity, good faith, mutual benefit and inclusiveness, as strategic guidance and fundamental principles to be followed. It will facilitate the joint efforts in implementing major initiatives such as the Belt and Road Initiative (BRI) and the Global Development Initiative (GDI), and continue to help developing countries accelerate their development by sharing China's experience and programs.</p>
About the Project	<p>Background: The world today is undergoing profound changes unseen in a century. The high-quality joint construction of the Belt and Road is advancing steadily, and it is becoming increasingly urgent for all countries to join hands in deepening cooperation and pursuing common development. Every country can inject solid impetus into stable global trade and sustainable economic and social development by strengthening macro policy coordination, promoting the alignment of development strategies, advancing the liberalization and facilitation of trade and investment, and deepening practical industrial cooperation.</p> <p>Purpose: The Chinese government holds this seminar under the framework of the Belt and Road Initiative and shares China's experience and practices in industrial development and international cooperation, so as to provide useful references for the co-construction countries of the Belt and Road to boost their own economic development. Through seminar exchanges and discussions, we will further deepen the alignment of industrial cooperation, support the co-construction countries in industrial upgrading and economic diversification, enhance the international cooperation on production capacity, push the joint construction to go deeper and achieve tangible results, and realize win-win results and shared development achievements.</p> <p>Content: The seminar lectures will primarily cover topics of China's national conditions and Chinese-style modernization, the philosophy of governance by Chinese leaders and national development practices, building a Global Community of Shared Future and the Four Global Initiatives, an overview of China's industrial development, the current situation and prospects of</p>

	<p>industrial alignment and production capacity cooperation between China and other developing countries, and trade facilitation measures of China's customs.</p> <p>Methods: Invite Chinese officials and experts in relevant fields to deliver thematic lectures by different topics; organize seminar exchanges between participants and experts as well as among participants; arrange for participants to conduct visits and inspections in Beijing and other cities.</p> <p>(The above is the preliminary schedule, which may be adjusted according to the actual situation, and the final version will be provided upon arrival in China.)</p>
Notes	<ol style="list-style-type: none"> 1. Please prepare your passport, Chinese visa and third-party transit country visa (if necessary) before coming to China. 2. If you cannot depart on time due to special circumstances, or if there is a flight delay during the transfer, please contact the Chinese embassy or the organizer in time and inform the staff of the new flight No. and time of arrival in Beijing so that the staff can arrange pick-up for you. 3. In principle, it is not allowed to change the air tickets to China. If you really need to do so, please contact the Chinese embassy and follow the procedures to change your ticket. If you change the air ticket without consent, the organizer will report it to the Chinese embassy and the costs and responsibilities therefore incurred shall be borne by yourself. 4. After claiming your luggage, please wait patiently at the international arrival exit (or domestic arrival exit) and the staff will pick you up with a pick-up board with your name on it. If you wait more than 15 minutes, please call the organizer immediately. 5. In case of lost luggage to be registered with the airline, please first communicate with the organizer to confirm the luggage delivery location and then fill in the registration form. 6.
