About the Organizer	<p>The Academy for International Business Officials (AIBO) is an educational and training institution directly under the Ministry of Commerce of the People’s Republic of China. Established in 1980, AIBO is located in Changping District, Beijing, about 30 kilometers from Beijing Capital International Airport. It boasts comprehensive infrastructure to provide services such as accommodation, catering, training and meetings for trainees.</p> <p>One of the main responsibilities of AIBO is to implement human resources development and cooperation projects, especially training courses for officials. The Academy serves as the main base for China's foreign aid training, offering both off-line and on-line training in China and overseas.</p> <p>Backed by the Ministry of Commerce and in close cooperation with China’s top think tanks, research institutes and universities, AIBO brings together a large number of China’s top experts and scholars to provide intellectual support for foreign aid training. It has developed a number of high-quality foreign aid training projects in the fields of trade and investment, international economic cooperation, governance and public management, which have proved to be fruitful.</p> <p>Since 1998, AIBO has successfully held over 2,500 training sessions for officials from developing countries (including 147 ministerial seminars), benefiting nearly 84,000 trainees from other developing countries around the world.</p> <p>AIBO will adhere to the guidance of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, and take the important concepts, including a community with a shared future for mankind, pursuing the greater good and shared interests, and sincerity, real results, amity, good faith, mutual benefit and inclusiveness, as strategic guidance and fundamental principles to be followed. It will facilitate the joint efforts in implementing major initiatives such as the “the Belt and Road” Initiative and the Global Development Initiative, and continue to help developing countries accelerate their development by sharing China's experience and programs.</p>	
About the Project	<p>Background: The world today is undergoing profound changes unseen in a century. The global economic recovery is facing formidable difficulties and economic levels across regions have become increasingly imbalanced, which sets higher requirements for the concerted cooperation of countries in the world. All countries need to jointly strengthen macro policy coordination, and make joint efforts to boost global economic growth and safeguard financial stability. For years, in the process of opening wider to the outside world and attracting foreign direct investment, China has complied with the productive forces development and economic globalization, thereby effectively advancing the industrialization</p>	

	<p>process and sustaining economic development. China is willing to share its experience with developing countries in attracting foreign investment, actively participate in and advance the process of economic globalization, and propel the global economic governance system to evolve in a more just and reasonable direction.</p> <p>Purpose: The seminar aims to enable the officials in the training program to gain a multidimensional understanding of China's economic development course since the reform and opening-up, especially the policies and regulations on attracting foreign investment, how to improve the investment and business environment, and the effective and active utilization of foreign investment. It also aims to advance the implementation of high-level investment liberalization and facilitation policies, jointly stimulate new vitality in international investment, uphold the free trade and multilateral trading systems, work together to build an innovative and inclusive open world economy, and foster a global community of shared future.</p> <p>Content: The training content will primarily cover topics of an overview of China's national conditions and Chinese-style modernization, the philosophy of governance by Chinese leaders, the Belt and Road Initiative and the Global Development Initiative, China's experience and practices in attracting foreign investment, as well as China's trade and investment promotion.</p> <p>Methods: Invite experts in relevant fields to give lectures on special topics by themes; organize seminars and exchanges between participants and experts, and among participants; and arrange for participants to conduct field visits and exchanges to relevant institutions and enterprises in Beijing and other cities.</p> <p>(The above is based on the preliminary schedule, and may be adjusted according to the actual situation. The final version will be provided upon arrival in China.)</p>
