About the Organizer	Guangxi International Business Vocational College (GXIBVC) is a state-run higher education institution located in the beautiful “Green City” — Nanning, Guangxi Zhuang Autonomous Region. Rooted in Guangxi, the college is committed to serving the whole country and extending its influence to Southeast Asia. It has developed a distinctive educational approach focused on fostering highly skilled professionals with an international perspective to support Guangxi’s economic development, the construction of the China-ASEAN Free Trade Area (CAFTA), and the growth of the global tertiary industry. The college is under the administration of the Guangxi Department of Commerce and has been recognized as a model higher vocational institution in Guangxi. It is also designated as a training base for the “Talent-Driven Business Growth Initiative” by the Ministry of Commerce of China and serves as a key talent development hub for advancing the CAFTA. In 2012, GXIBVC was authorized as one of the institutions responsible for China’s foreign aid training programs. The college boasts a high-level team of full-time and part-time faculty members, including renowned domestic and international experts, industry specialists, and scholars. It offers programs in English as well as Southeast Asian languages such as Vietnamese and Thai. Additionally, the college employs a number of foreign teachers and invites experienced professionals from enterprises to serve as part-time instructors. GXIBVC maintains close collaborations with prestigious universities across China and actively expands its educational cooperation with countries along the Belt and Road Initiative. It has established partnerships with over 40 overseas institutions, enrolling a total of 616 international students. The college is among the first institutions selected for the national “China-ASEAN 1,000 Schools Partnership Initiative”. It has also established an overseas branch, Guihai Business College, and has been approved for two Sino-foreign cooperative education programs with Canada and Germany. Additionally, it has been recognized as a regional cooperation pilot unit under Guangxi’s Modern Vocational Education Development Demonstration Project, included in the Ministry of Education’s first batch of “Jinshi People-to-People Exchange Program” as a “Jingshi International Institute”, and designated as a pilot institution for the UK NARIC international professional standards assessment program in the field of higher vocational education.
